**Subject:** Ashley - can you deploy to Durango on Tuesday 8/18?

Ashley – David Gray has requested some assistance at the JIC in Durango to help address congressional inquiries on the GKM. You will be tracking, managing and responding to inquiries. You will need to be out for at least 10 days to 2 weeks.

I am cc'ing Maurice on this email so he is informed of the request for you to deploy in this capacity.

Please let me know if you are available and able to deploy on Tuesday 8/18.

Subject: Congressional help at the JIC

Importance: High

Nancy has requested help for congressional inquiries on GKM at the JIC. Ideally candidate would be familiar with Congressional and Intergov Liaison work and would serve to track, manage, respond (where possible), ensure consistency with responses, or route to appropriate responders. We have a one-woman shop here in Rebecca Russo, who is working 80% time on this but has a number of year end responsibilities too. Do any of you have someone who could travel to Durango to assist Nancy on this task? Please advise. Thanks a million for your consideration!
